An Important Notice to Our Customers about Privacy

Your contact information, maintained in our secure database in the United States, is used to help us process and fulfill your request or order, service your account, respond to your inquiries and to provide follow-up services, such as contacting you to renew your contract. Your e-mail address is added to McGraw-Hill Construction's electronic mailing list so that, from time to time, we can send you information about other McGraw-Hill Construction products, including newsletters, new features, and additions and changes to our web site. Occasionally, McGraw-Hill Construction shares data collected about subscribers with other units within the family of The McGraw-Hill Companies and carefully screened companies outside The McGraw-Hill Companies whose products or services we feel may be of interest to you. Many of our customers find these promotions valuable, whether they are shopping for merchandise, taking advantage of a special offer or purchasing unique services. We may also, from time to time, share your information with outside vendors who will use the information only to perform services on our behalf. If you do not wish to receive promotional mailings from companies outside of The McGraw-Hill Companies or if you wish to review the accuracy of the information you've provided or have any questions about our privacy practices, please send a note with your name, address and account number to: Amy Sidelinger, Security Manager, McGraw-Hill Construction, 148 Princeton-Hightstown Road, Hightstown, NJ 08520 or email Construction_Privacy_Policy@mcgraw-hill.com.
