

Build Her Mentorship Program Protection of Confidential Information

The Build Her Mentorship Program application review and matching committee shall keep the information shared by applicants confidential.

By signing below, I acknowledge that all information shared on the Build Her Mentorship Program applications is confidential; and I certify that I will not share, discuss or disclose information from the applications with anyone who has not been designated as part of the review committee, including but not limited to colleagues and employers. I will not use the information contained in an application for my personal benefit.
